

Licensed Practical Nurse (lpn) Interview Questions

1. Share an experience you had in dealing with a difficult person and how you handled the situation.
2. Provide an experience in which your observation of a patient's condition helped you to identify an adverse reaction and resolve it.
3. What is the key to success when communicating with the public.
4. Describe a time when you successfully provided personal assistance to a coworker or patron.
5. Share an experience in which you successfully shared a difficult piece of information. (Make sure that the candidate has open lines of communication.)
6. Tell me about a recent experience you've had working with your hands.
7. Tell me how you organize, plan, and prioritize your work.
8. Share an experience when you applied new technology or information in your job. How did it help your company?
9. Tell me about an experience in which you analyzed information and evaluated results to choose the best solution to a problem.
10. Tell me about the last time you monitored or reviewed information and detected a problem. How did you respond?
